FROM: PETER M. FLANIGAN *PWF*

As you know, the Council on International Economic Policy is statutorily required to produce an annual report. Pete Peterson was most appreciative for the outstanding support you gave him last year. This year we would very much appreciate it if you could assist us once again. Your support of this effort would be greatly facilitated by the temporary detail of [redacted] and [redacted] to the Council on International Economic Policy for a period of two to three months. We would deeply appreciate your assistance. If this request causes the Agency any inconvenience, would you kindly let me know. It is my understanding that the temporary detail of [redacted] has already been arranged on an informal basis.
